## **ROBERT E. DOUGHERTY EDUCATIONAL FOUNDATION 2019 SCHOLARSHIP INFORMATION SHEET**

### **THE SCHOLARSHIP AWARD**

The RED Foundation scholarship award reflects the Foundation's commitment to provide financial assistance to students pursuing a career in the composite panel and affiliated industries. The 2019 awards will consist of up to four scholarships of **\$5,000** each. Additional scholarships could be awarded depending on the quality of the submissions. Scholarship awards are in the form of checks made payable to the student and delivered to the student's academic advisor.

In addition to the scholarship awards, a list of the scholarship nominees will be distributed to all members of the Composite Panel Association (CPA). These companies will be encouraged to consider these nominees when making their summer and full-time hiring decisions. By submitting an application, you are distributing your academic achievements and career aspirations to more than 175 companies in the composite panel, forest products, decorative surfaces, furniture, cabinet and related industries. Applicants are encouraged to familiarize themselves with the CPA and learn of the many diverse career opportunities the industry has to offer.

#### **HISTORY OF THE FOUNDATION**

In 1960, Robert Dougherty, a Washington, DC lawyer with a lumber association background, was selected by members of the particleboard industry to be the first Executive Vice President of the newly formed National Particleboard Association (NPA), a position he held until his retirement 23 years later. During those years, Bob kept his fingers on the pulse of an industry that grew from 232 million square feet/year to more than 3 billion square feet/year today. Bob Dougherty passed away in 1985 after providing industry with over two decades of invaluable service and leadership. The Foundation was formed in 1986 by the members of the NPA (now the CPA) in memory Robert Dougherty. The Foundation's sole purpose is to provide financial assistance to students in industry related fields of study.

The Robert E. Dougherty Educational Foundation is managed by a Board of Directors and is sponsored by CPA.

## **ABOUT THE COMPOSITE PANEL ASSOCIATION**

The Composite Panel Association (CPA), founded in 1960, represents the North American composite panel industry on technical standards, industry regulation and product acceptance. CPA operates a world-renowned testing and certification program for industry products and was the first third-party certifier (TPC) approved by the California Air Resources Board. For a list of companies and products represented by CPA, visit [CompositePanel.org](http://CompositePanel.org).
